

SUNDAY P.M. FEBRUARY 18, 2018

SERMON: Demonstrating Your Trust in God: Step 2, Change Your Focus.

Distraction: Something that distracts: an object that directs one's attention away from something else.

In the time of stress, caused by devastating situations, the mind must be distracted away from the current chaos.

Your trust in God is demonstrated when you take the step to ***Change Your Focus From What You Are Going Through, To Putting It On God And His Word.***

*You will keep in perfect peace
him whose mind is steadfast
because he trusts in You.*

Isaiah 26:3
