# **SERMON: The Anatomy of Faith**

**Three simple points to remember....**

- 1. It's something we must possess to please God – Hebrews 11:6.**
- 2. Possessing faith is doing a working of God – John 6:28-29.**
- 3. True faith is SEEN in the process of carrying out God's commands, not HEARD in what we say – Genesis 22:1-12 and James 2:14-26.**
