**SERMON: Positive Attitudes  
that Strengthen the Church**

**TEXT: Ephesians 4:1-3**

**“Maintaining Unity”**

- I. We must possess the attitude that we desire to keep the unity of the Church.**
- II. Our desire to keep unity must be evidenced by our love for each other and how we genuinely act toward each other.**
- III. The wisdom in keeping the unity of the church is that this unity is a more powerful means of evangelism than any outreach program we can put together.**
