**SERMON: A Story That Will  
Change Your Life!**

**TEXT: Daniel 6**

**Summary:** Daniel in the Lions' Den has been called "one of the best loved stories in the Bible." But have you ever thought that God had a message in the story that could change your life?

**Introduction:** Lions are dangerous animals. Now Lions don't ordinarily kill PEOPLE, but if there's nothing else to eat, they WILL eat you. In Babylon, the King apparently kept a few lions around to do just that. If somebody angered him, the offending parties became the main course on the menu.

Now KIDS love this story. It has everything: Danger, adventure, suspense and a really cool ending. In fact, one source called this "One of the best loved stories in the Bible."

Let's ask ourselves these questions this morning:

1. Why is this story important to me?
2. Why is this story important to us?
3. What can I learn from this story from God's word?
4. What can we learn from this story from God's word?
