“How to Live Victorious”

TEXT: Joshua 14:6-15

Jesus won the ultimate battle giving us the victory.

- But this victory was victory over death.
- As a faithful child of God, you will never have to die again.
- You will live eternally with God in heaven.

Knowing the blessing of this victory should motivate us to live life to the fullness and enjoy further blessings from God.

However, we do the opposite, we live in defeat.

We should live victorious!!!

You need three things to do one thing.

1. _____

2. _____

3. _____

4. _____
