TRUST FOR TODAY

Eph. 3:13-19

INTRO:

1. At every point in life, believers need peace.
2. God promises inner strength. **Eph. 3:16**
3. This strength is necessary for peace.

I. EVERYONE ON EARTH HURTS IN SOME WAY...

A. Suffering is a part of life. **Psalm 73:13-17**

B. It can be overwhelming. **Job 3:1-26; Psalm 77:4-9**

C. Jesus never promised to remove the hurt, but to provide peace in the midst of it. **John 14:27; 16:33**

II. TRUSTING GOD SHOULD BE OUR GREATEST JOY.

A. Each day is a new beginning. **Psalm 118:24**

B. Every day with Christ is a fresh start.

III. TRUST GOD FOR EVERYTHING.

A. If he can handle my salvation, then he can surely handle the daily trials of this life.

B. Faith should be very practical and real. **2 Cor. 5:7**

C. We need to get to the place where we trust God not just for spiritual matters, but for everything.

D. There is nothing he does not know, nothing he cannot do, and nothing in our lives that he does not care about.

CONC:

1. Today is all I have, all I need, and all I can handle. **Matt. 6:25-34**
2. Trust for today – just for today, and God will be there.
